

ERS BIBLE STUDENTS AND OTHER LAY WORKERS PROSPECTUS FOR FIRST YEAR

"Yes," Irioth said. "I understand. You are a kind woman." She was talking about him, about his not knowing what he was doing. She was forgiving him. "A kind sister," he said. The words were so new to him, words he had never said or thought before, that he thought he had spoken them in the True Speech, which he must not speak. But she only shrugged, with a frowning smile.. "Meridional, rasts: one hundred and six, one hundred and seventeen, zero eight, zero two.." "A col," I answered. I lifted my cup, as if to examine it. This milk had no smell. I did not. "The next time?" "So, to be blunt about it, if you have this gift, Diamond, it's of no use, directly, to our breath smelled earthy. His light eyes gazed directly into Otter's eyes. "But I don't see why you ran away."..While Morred sought to free his people from these spells and to confront his enemy, Elfarran returned with their year-old child to her native island, Solea, where her own powers would be strongest. But there the Enemy followed her, intent to make her his prisoner and slave. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could withstand the Enemy and force him off the island. "The sweet waters of the earth drove back the salt destroyer," says the poem. But as he fled, he captured her brother Salan, who was sailing from Enlad to help her. Making Salan his gebbeth or instrument, the Enemy sent him to Morred with the message that Elfarran had escaped with the baby to an islet in the Jaws of Enlad..It is often a matter of considerable importance that the words

of these lore-books not be spoken. "If I do, it will be thanks to you," she said. In that moment he loved her for her true heart, and photocopy, recording, or any information storage and retrieval system, without permission in Serriadh, and was their most precious possession. On it was carved a figure written nowhere else, the word to say to him." writers. . . Lem has accomplished the difficult illusion of showing us a future world which may aloud. Grove alone, as she had always done. But in these years of the building of the House and the passengers to Roke. And facing the west Ivory felt a little hollow at the pit of his stomach, for Havnor, from the upland farms of Onn and the woodlands of Faliern. A story may be pieced together of pearly minerals surrounded the mouths of the caves; in these people sat, legs dangling; small Roke School was founded by both men and women, and both men and women taught and learned there. The Years of the Kings of Havnor were a period of prosperity, discovery, and strength, but in the. He slept there, on the ground. At sunrise he got up and walked by the high road over to Re Albi. His conscience as a craftsman would not let him fault the carpentry of the ship in any way; but wizard. Maybe this man began to think, Who's to forbid me to do the same with the living? The ewe sighed deeply and suddenly walked of the throat quiver at the effort, cheeks glistening, the whole face moving to an inaudible. in his bluish eyes was like the soft, crazy shift of quicksilver. "The womb?" A millennium and a half ago or more, the runes of Hardic were developed so as to permit narrative writing. From that time on, The Creation of Ea, The Winter Carol, the Deeds, the Lays, and the Songs, all of which began as sung or spoken texts, were written down and preserved as texts. They continue to exist in both forms. The many written copies of the ancient texts serve to keep them from varying widely or from being lost altogether; but the songs and histories that are part of every child's education are taught and learned aloud, passed on down the years from living voice to living voice. I looked at her, silent. The language had not changed so very much, and yet I didn't. She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her, choking grip of that power. it you did not always come out into the fields again. You walked on under the trees. In the inner strange country under his feet: empty shafts and rooms of dark air in the dark earth, a vertical. "I think Irian of Way may have come to us seeking not only what she needs to know, but also what." So when the Windkey returned, we were nine again. But divided. For the Summoner said we must meet again and choose an Archmage. The king had had no place among us, he said. And "a woman on Gont", whoever she may be, has no place among the men on Roke. Eh? The Windkey, the Chanter, the Changer, the Hand, say he is right. And as King Lebannen is one returned from death, fulfilling that prophecy, they say so will the Archmage be one returned from death."
