"It must be ... unusual f . . to live in the same place an your life." windows and on framed pictures, and he experimented briefly with the diaphragms in speaker systems. The truth, senior. This one you call Nina?this girl?is not a ghi. She is of the ancient race from the high peaks, where the great serpents dwell. Your workers here, even Moises, know only the jungle, but I come from the great valley beneath the mountains, and as a chfld I learned to fear those who lurk above. We do not go there, but sometimes the snake-people come to us. In the spring when they awaken, they shed then1 skins, and for a time they are fresh and clean before the scales grow again. It is then that they come, to mate with men." .STURGEON'S Well Sturgeon Is Alive and..Cora Zickwolfe, who lived in a remote rural area of Arizona and whose husband commuted to.Deep in a wood, so dark and tangled few men dared go, there was a small clearing. And in that.pretty stereotyped." "I'm here, Jain." The end result will be that though my clones, or some of them, might turn out to be valuable citizens of one kind or another, it would be very unlikely that any one of them would be another Isaac Asimov, and their production would not be worthwhile. Whatever good they might do would not be worth the reduction they would represent in the total gene variability of humanity..off with great conviction. I was taken in by a balmy old woman who lived not far away. I had some kin, but they didn't want me." He looked at me, trusting me. "They're pretty superstitious back in there, you know. Thought I was . . . marked. Anyway, the old woman took me in. She was a midwife, but she fancied herself a witch or something. Always making me drink some mess she'd brewed up. She fed me, clothed me, educated me, after a fashion, tried to teach me all her conjures, but I never could take 'em seriously." He grinned sheepishly. "I did chores for her and eventually became a sort of assistant, I guess. I helped her birth babies . . . I mean, deliver babies a couple of times, but that didn't last long. The parents were afraid me bein' around might mark the baby. She taught me to read and I couldn't stop. She had a lot of books she'd dredged up somewhere, most of 'em published before the First World War. I read a complete set of encyclopedias?published in 1911." . Too many things would have to be thought out again from the beginning, and such a task would require decades. And yet, nothing comparable to SP3 is anywhere near as advanced a stage of design at the present time, let alone near being constructed. The opportunity is unique and cannot, surely, be allowed to pass by. But at the same time we cannot afford the delay that would be needed to take advantage of that opportunity. Is there a solution to this dilemma?" He looked around as if inviting responses. None came..I heard the typewriter stop ticking and the scrape of a chair being scooted back. I didn't hear anything else for fifteen or twenty seconds, and I wondered what he was doing. Then the bolt was drawn and the door opened.
