covering was pure and glittering ice. It was a very large lump, nearly as large as the black trunk of the. Then they leaned the mirror against a tree and rested for a while. "It's well I wore these rags of. The clerk tapped the shut-up button pinned on the neckband of her T-shirt. on the front, blue Levis and thick-soled chukka boots. So Darlene went down the hall to their bedroom for a siesta, and. "Why doesn't he get the mirror himself, instead of asking me?" Amos wanted to know. "Which is probably why innocent people get put hi jail so often." .that the only thing the Project win be a haven for will be fish. But I'll play the game fair. know, for lots of bright colors give him a headache." .But that was legend, like Mama Dolores' stories about the snake-people. Strange? did every race have its belief in such creatures? Could there be some grotesque, distorted element of truth behind all these old wives' tales? "Just for the afternoon." "Miss Tremaine, will you get Gus Verdugo on the phone, please?" .nodding. Singh was uncomfortably aware that the idea of a rescue mission had died out only a few years. R Is for Spaceship, RAY BRADBURY. "Well have to get cutting tools from the ship," he told his crew. "They're probably in there. What a place this is! I can see we're going to be busy." He walked along the edge of the dense growth, which now covered several acres. He came to a section where the predominant color was purple. It was strangely different from the rest of the garden. There were tall whirligig derricks but they were frozen, unmoving. And covering all the derricks was a translucent network of ten-centimeter-wide strips of plastic, which was thick enough to make an impenetrable barrier. It was like a cobweb made of flat, thin material instead of fibrous spider-silk. It bulged outward between all the crossbraces of the whirligigs. Stone by Edward Bryant. 72 Edward Bryant. it to produce these messages as a practical joke. If this is the case, correct the situation immediately and. "But it could be done, right? With the proper shielding so the plants won't be wiped out before they ever sprout, we could have a hydroponics plant functioning?" "It'll keep. It's cold out there, baby." .stick together when the chips are down. .from his eyes, and I could see his thin chest throbbing. It was unsigned and the writing was more careful than I would have expected of Selene, but I could not imagine anyone else writing it. balls-hung in dusters from the pipes that supplied them with high-pressure oxygen. "Sounds to me like he was hurtin' for a fix." .70. I heard the door open. I turned and saw Detweiler run out. "See?" she said. "Cinderella B. Johnson. It was my mother's idea. My mother had a really weird sense of humor sometimes. She's dead now, though. Do you like it?" That smile was remarkable. It turned the light hi her to dazzling incandescence. .If, after the first cell division, the two offspring cells, for any reason, should happen to fall apart, each. "I am Amos, and I am here to see what makes you so uninteresting that everyone tells me to avoid you and covers you up with blankets." .Subject: Enclosed Certificate. At the same time, Fm afraid that his rage will get us into extremely serious trouble. The Sreen have already demonstrated their awesome power through the ease with which they located and intercepted us just outside the orbit of Neptune. Their vessel is incomprehensible, a drupelet-cluster of a construct which seems to move in casual defiance of every law of physics, half in normal space, half hi elsewhere space. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures. Due to the recent systems overload error, your test results of August 24 have been erased. Therefore, in accordance with Bylaw 9(c), "The girl-Nina?*" .She said it supported her theory that these plants were there only as caretakers to prepare the way for. Matt. Matt, this baby is a flyer for the. He laughed. "That lets me out. Sit down. Move the stuff." .And what about this, Mallory? What if someone died nearby tonight while you were with Detweiler; what if he comes straight to his apartment and goes to bed; what if he wakes up hi the morning feeling fine; what if nothing is going on, you son of a bitch? .speak English. He raised the bottle and drank again, cursing himself for his mistake. .As a lover of variations on a theme, though, Fm usually intrigued when a producer decides to use. At last the trees end and I climb over bare mountain grades. I rest briefly when the pain in my lungs is. Company would have to come across pronto. She said she hoped so, what with another mouth to feed. "He told me about some Japanese department store." .and headed toward us with a grin. .was kept hot and full all the time. "It's hard to describe Andy. There was something very little-boyish. But she went on relentlessly, deaf to me. "We have to live together all our lives, Mandy. No matter. retreated, distributing them all through the soil. That way, if the upper ones blew away or were sterilized. think I pity rather than dislike her. Don't I let myself get sucked into looking after her like everyone else? *Tm sorry to hear it." .So finely drawn, and with the glitter of ice, the manipulating wires radiate outward. Taut bonds. So Amos and Jack stood with the sun hi their eyes, and the great blustering North Wind squatted down to look at himself in the mirror. He must have been pleased with what he saw, because he gave a long loud laugh that nearly blew them from the peak. Then he leapt a mile into the air, turned over three tunes, then swooped down upon. Larchemoot is a middle-class neighborhood huddled in between the old wealth around the country club and the blight spreading down Melrose from Western Avenue. It tries to

give the impression of suburbia?and does a pretty good job of it-father than just another nearly downtown shopping center. The area isn't big on apartments or rooming houses, but there are a few. I found the Detweiler."It was one of the fruit," she said, gasping for breath and coughing. "I was heating it in a beaker, turned away, and it blew. I guess it sort of stunned me. The next thing I knew, Marty was carrying me out here. Hey, I have to get back in there! There's another one . . . it could be dangerous, and the damage, I have to check on that?" She struggled to get up but Lang held her down..In the afternoon..Jane Yolen.clever man, Amos knew there were some situations in which it was a waste of wit to try and figure a way."Pretty slim. I wonder how many points tfuzf is?."Don't worry, there's another over behind you." Now that they were looking for them, they quickly."That's all right, Barry. Just doing my job."..Hear my sorrowful moan..In thirteen minutes the firefight was all over. Colman stood on the gravel bank of the stream and watched as a bewildered major was led from the enemy bunker, followed by his numb staff, who joined the gaggle of disarmed defenders being herded together under the watchful eyes of smirking Third Platoon guards. The primary objective had been to take prisoners and obtain intelligence, and the crop had yielded two captains in addition to the major, a first and a second lieutenant, a chief warrant officer, a sergeant major, two sergeants, and over a dozen enlisted men. Moreover, the call-sign lists and maps had been seized intact, along with invaluable communications and weapons-control equipment. Not a bad haul at all, Colman reflected with satisfaction..to be the site of the most glittering premieres.
