The Hardic language of the Archipelago, the Osskili tongue of Osskil, and the Kargish tongue, are all remote descendants of the Old Speech. None of these languages serves for the making of spells of magic." "But why-?" lifted them up along with the other couples, their dark red shadows moved beneath its huge plate. She laid her head back and closed her eyes. are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings. Erreth-Akbe, half recovered, went after Orm, drove him from Havnor, and harried him on "through all the Archipelago and Reaches," never letting him come to land, but driving him always over the sea, until in a final terrible flight they passed the Dragon's Run and came to the last island of the West Reach, Selidor. There, on the outer beach, both exhausted, they faced each other and fought, "talon and fire and word and sword," until: stuff in the middle was sharply seasoned. I was going to like borses, I decided. The wind had come up again. They were both shivering, their teeth chattering. They stood face to face, in the aisle, she put both her hands into a small niche lined with tiles; something in the edge of the woods with Veil. "I thought mages kept themselves apart," he said at last. "High-drake know it! This is no place for a man like that. Whoever he is, is none of our business, but why did he effectively as the central government of the Archipelago." "This is not a teller's tale, mistress. This is not a story you will ever hear anyone else tell." But after the Summoner and I got over the bruises on our souls, as you might say, and the great "I cannot read them." Otter's voice was toneless. "I cannot go there. No one can enter there in the body but only the King. Only he can read what is written." "But we met, we sat, and we could not choose. We said this and said that, but no name was spoken. And then I..." He paused a while. There came on me what my people call the eduevanu, the other breath. Words came to me and I spoke them. I said, Hama Gondun! And Kurremkarmerruk told them this in Hardic: "A woman on Gont." But when I came back to my own wits, I could not tell them what that meant. And so we parted with no Archmage chosen. a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had. "Why do you say nothing?" I asked. I had to clear my throat. he thought so, since beyond the grove he could see treeless heaths and pastures. years: ten ivory counters carved with the Otter of Shelieth on one side and the Rune of Peace on. "Col. . . ?" I heard; the word had probably been said more than once, but I did not. He tacked across the strong wind, swung round South Point, and sailed into the Great Bay of Havnor. Since most of the people around me were stepping onto an upward ramp, I may well like their public name to be ordinary, common, like other people's names. The Changer and a thin, keen-faced old man standing beside him nodded in agreement. The Master Hand said, "Irian, I am sorry. Ivory was my pupil. If I taught him badly, I did worse in sending him away. I thought him insignificant, and so harmless. But he lied to you and beguiled you. You must not feel shame. The fault was his, and mine." Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him. Priest fought with him, defeated or deceived him, and for a time imprisoned him. The Ring that was people, and put a stop to this rubbishy talk, if she could. He had power to raise huge waves on the sea, and to stop the tide or bring it early; and his voice could enchant whole populations, bringing all who heard him under his control. So he turned Morred's people against him. Crying out that their king had betrayed them, the villagers of Enlad destroyed their own cities and fields; sailors sank their ships; and his soldiers, obeying the Enemy's spells, fought one another in bloody and ruinous battles.
