It just became a habit, since they seemed to have developed a bond between them and none of the other three complained. Neither of the other women seemed to be suffering in any way. So Lang left it at that. What went on between the three of them was of no concern to her as long as it stayed happy..unapproachable. Then she asked Crawford to join her in the private shelter. He refused to believe her, and to prove his point he cooked up a quick dinner on her hotplate of Spam and canned beets (it was rather late by then, and they were famished). Before she'd had three mouthfuls, the poem started coming to her, and by the time she'd got it into final shape, five years later, it was far and away the best of the lot.. No good-bys. He went north on Las Palmas, dropped a large Manila envelope in the mailbox (the story he'd been working on, I guess), and bought groceries at the supermarket on Highland. Did that mean he wasn't planning to move? I had a sudden pang in my belly. What if he was staying because of his friendship with me? I felt more like a son of a bitch every minute.. trying to live in a hostile environment. The odds are very much against us, and we're not going to be here. "Nonsense. Animosities developed, flourished for a few hours, and dissolved in tearful reconciliations. Three ganged up on two, two on one, one declared war on all the other four. Ralston and Song announced an engagement, which lasted ten hours. Crawford nearly came to blows with Lang, aided by McKillian. McKillian renounced men forever and had a brief, tempestuous affair with Song. Then Song discovered McKillian with Ralston, and Crawford caught her on the rebound, only to be thrown over for Ralston..They grabbed the ring and pulled the door back.
