I don't know why; I find myself reaching for the shield that covers the emergency total cutoff. I stop my hand.."On what did you base your analysis of the situational display, Sergeant?" Sirocco asked, speaking in a clipped, high-pitched voice mimicking the formal tones of Colonel Wesserman, who was General Portney's aide. He injected a note of suspicion and accusation into the voice. "Was Corporal Swyle instrumental in the formulation of your tactical evaluation?" The question was bound to arise; the image analysis routines run at Brigade would have yielded nothing to justify the attack..The sun was poking over the mountains when he woke up. He roused and was momentarily unaware of where he was; then memory flooded back. He turned to me. The pain and hysteria were gone from his eyes. She hasn't missed it before, and if Tm careful not to let her catch me out again, shell never miss it" I shook my bead. "You're breaking an agreement" "I'm not taking over, though. You know that's just a paranoid fantasy. I use only enough time for practice and no more." I sighed. "You seem to have all the best of it" She snorted. "I wonder. Do you have any idea what ifs like being locked up in her head for six months, continuously aware but able to do nothing? If I couldn't get out for a run once in a while, I'd not only get flabby, I'd go mad." She bounced out of the chair and came over to lace her fingers together behind my neck. "What about you? It's three months until January. How can I give up seeing you for three whole months?" "You feel you can trust me?" The audacity of the idea appealed to Sirocco immediately. "We'd have to handle it ourselves. There isn't enough time to involve Brigade, but we could pin down those guys on the other side while you went in, and roll a barrage in front of you to clear obstacles." Additionally, her husband's ideal of conversation was very divergent from her own. He enjoyed talking about money, sports, and politics with other men and bottled up all his deeper feelings.
