He saw her more clearly than he had ever seen anyone. He saw the thin arms, the swollen joints of elbow and wrist, the childish nape of her neck. It was as if she was with him in the room. It was as if she was in him, as if she was him. She looked at him. He saw her look at him. He saw himself through her eyes..Changer, master of the spells that transform matter and bodies.His old master was sitting in the grass near the pond, eating an apple. Bits of eggshell flecked the ground near his legs, which were caked with drying mud. When he looked up and saw Ogion's sending he smiled a wide, sweet smile. But he looked old. He had never looked so old. Ogion had not seen him for over a year, having been busy; he was always busy in Gont Port, doing the business of the lords and people, never a chance to walk in the forests on the mountainside or to come sit with Heleth in the little house at Re Albi and listen and be still. Heleth was an old man, near eighty now; and he was frightened. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Tures. Do you know that name? It's a word in the language of the Allking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was laughing with excitement.. "What, it's bad?". The spells by which he silenced, weakened, and controlled all who approached him were so habitual to him that he gave them no thought. He was used to being listened to, not to listening. Serene in his strength and obsessed with his ideas, he had no thought beyond them. He was not aware of Otter at all except as a part of his plans, an extension of himself. "Yes, yes, you will," he said, and smiled again..Otter walked on a mile, brooding; then circled back, leading Licky to a hillock not far from the far end of the old workings. There he nodded downward and stamped his foot..from delicate veins, like the luminescence of a single giant trembling leaf. Doors opened in all.a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone."Got that from under Losen's nose too," he said to Tern. "Come have a look at it! It belonged to a.THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Paln its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all..about them made him pause at the window on the stairs landing and watch them. A thing between them.When she woke, the Master Patterner was sitting nearby, and a basket was on the grass between them..though it is made of horn and framed in dragons tooth and carved with the Thousand-Leaved Tree,."Did you talk at all to Master Hemlock?".Her guest came out of the house. It was a bright, misty morning, the marshes hidden by gleaming vapors. Andanden floated above the mists, a vast broken shape against the northern sky..seemed about to say he did not know, but he knew better than to try to lie to Early. He sighed..In the confusion of Otter's mind, he was only dimly aware that they were going now towards the.size and prosperity..deep shadows.
