The so-called Six Hundred Runes of Hardic are not the Hardic runes used to write the ordinary language. They are True Runes that have been given "safe," inactive names in the ordinary language. Their true names in the Old Speech must be memorised in silence. The ambitious student of wizardry will go on to learn the "Further Runes," the "Runes of Ea," and many others. It was raining on the low beaches of the river mouth, the fine, cold, dismal drizzle of that grey winter. His clothes were soaked.
